CAPABILITY STATEMENT

Tsubaki Systems
Intelligence engineered for your success

ABOUT US

Tsubaki Systems is a global provider of AI-powered analytics and business intelligence solutions, delivering enterprise-grade data platforms that drive operational efficiency and informed decision-making. With 30+ years of combined experience and 2,000+ projects delivered worldwide, we support government and commercial clients with predictive analytics, intelligent dashboards, and digital transformation solutions designed to produce measurable results.

CORPORATE DATA

BUSINESS IDENTIFIERS
- Legal Name: Tsubaki Systems LLC
- Unique Entity ID (UEI): XTKSCZXS9ZK6
- CAGE / NCAGE Code: 15A39
- DUNS: 119576196

NAICS CODES
- 541511 – Custom Computer Programming Services
- 541512 – Computer Systems Design Services
- 541519 – Other Computer Related Services
- 541611 – Administrative Management & General Consulting
- 541618 – Other Management Consulting Services

PSC CODES
- R408 – Program Management / Support Services
- R410 – Program Evaluation / Review / Development
- D302 – IT Systems Development Services

CERTIFICATIONS
- Maryland Certified Small Business (CSB)
  CSB Certification #: SB25-085104

CORE COMPETENCIES

- Artificial Intelligence (AI) Solutions
- Intelligent AI Agents & Autonomous Automation
- Advanced Analytics & Predictive Modeling
- Next-Generation Executive & Operational Dashboards
- Business Intelligence & Performance Management
- Data Architecture, Integration & Warehousing
- Workflow Automation & Process Digitization
- Lean Six Sigma–Driven Operational Analytics
- Microsoft Power Platform (Power BI, Power Apps, Power Automate)

DIFFERENTIATORS

1 **Operational AI in Production.** Autonomous AI agents executing decisions in live, high-volume environments.

2 **Next-Generation Decision Dashboards.** Real-time, predictive, and prescriptive dashboards enabling immediate operational action.

3 **Audit-Grade Intelligence.** Fully traceable and defensible AI outputs for regulated, mission-critical operations.

4 **Proven Return on Investment.** Consistent 3:1–5:1 return across analytics, BI, and automation solutions.

5 **Scaled Operational Impact.** 50%+ faster decision cycles and 30%+ improvement in resource utilization.

6 **Award-Recognized Analytics Leadership.** Recognition for analytics platforms delivering $1.2M in savings and 65% faster decision-making.

DOMAIN EXPERIENCE

Federal, State & Public Administration

Financial Services & Insurance

Construction & Infrastructure

Manufacturing & Industrial Operations

Healthcare & Life Sciences

Logistics & Supply Chain

PAST PERFORMANCE / TRACK RECORD

- Global delivery of analytics, BI, and AI solutions supporting mission-critical enterprise operations
- AI-driven automation and operational dashboards for regulated industrial and engineering environments
- HIPAA-compliant healthcare analytics supporting reporting, audits, and operational performance management
- Compliance-driven digital workflows and validation logic for engineering and operational programs
- Analytics and automation solutions aligned with federal and state operational, compliance, and accountability requirements

A proven AI, automation, and next-generation analytics delivery firm with measurable ROI and award-recognized execution
